Rome, July 2, 2014

Dear Director,

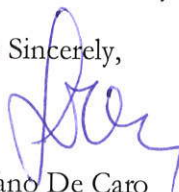

In conclusion of the CollAsia 2014 international course "Conservation of Metals in Southeast Asian Collections" held in Phnom Penh, National Museum of Cambodia, from June, 2nd to June 14th, 2014, I would like to express my deepest gratitude for the collaboration of The Hagar Catering in providing the daily meals and the opening and closing ceremony catering service at the National Museum of Cambodia.

The performance of the Hagar Catering Staff we had the opportunity to count on surpassed any call of duty, and facilitated a memorable experience for all those concerned.

The course had 19 participants from 11 countries (Brunei, Bhutan, Cambodia, East Timor, Indonesia, Laos, Malaysia, Philippines, Singapore, Thailand, Vietnam). Our participants and the course team greatly appreciated the hospitality they have received at Hagar Catering and the good time spent there.

In the hopes of future collaborations between The National Museum of Cambodia, ICCROM and Hagar Catering, please accept, the assurances of my highest consideration.

Yours Sincerely,

Dr. Stefano De Caro
Director-General
